

Eckert's Greenhouse Spring Plant Certificate Sale

Spring has arrived and hopefully the nice weather will be here soon also. Time to start thinking about planting those beautiful flowers and gardens! We are offering you a wonderful fundraising opportunity with Eckert's Plant Certificates. You can purchase a \$25.00 certificate, which never expires. Of that amount, \$4.00 will go to the student's assistance and \$1.00 will go to the general fund.

Eckert's is a family owned and operated greenhouse that has been in business since 1959. They are located on Ryan Rd. between 14 and 15 Mile Rd. They carry a wide variety of plants and baskets. For more information you can visit their website, www.eckertsgreenhouse.com

These certificates can be purchased at any of the remaining Band Booster Meetings. They can also be ordered **until May 19th**, by sending in an order form, a check (made out to Stevenson Band Boosters) and a self addressed stamped envelope to the Blue Box. I will mail your certificates to you. If you have any questions, please call Lori Paszkiewicz, at 247-1847.
